**HOW MUCH :** \$125 (Before tax)

Additional Information & Frequently Asked Questions

***1. Are the high resolution digital files re-printable? What can we do with them?***

The 5 digital files included in your mini session are re-printable. You will receive a print release form. You are also free to use those images online on your favorite social media platforms to share with family and friends. A flash drive or CD is not provided. Downloading will be made available directly through the link or can be sent via email.

***2. What if we want more than 10 digital images?***

In the case that you love all of your images and can't decide on just 10, you can purchase individual digital images at \$50.00 per individual digital image or the entire gallery of digital images for \$250. Other items such as loose prints and other gift options will also be available for purchase online.

***3. How many images will we see in our online gallery?***

15-20 images will be presented to you in your online viewing gallery.

***4. What happens if our kids cry or misbehave during the session?***

Unfortunately, tantrums happen. Some strategies that can be used for doing our best to insure happy kiddos is to encourage rewards for good behaviors, such as ice cream after the session, a special treat, or a trip to the park! These can be good incentives during the session for a child to

shape up quickly if they are reminded of what's to come :) For small children, if able, try to find a time slot that works around them and isn't normally in the middle of nap time.

***6. Do you offer prints and other products with your mini sessions?***

Yes! A small price menu of prints and products will be available for online ordering after your session if interested. For a preview of what's available, please ask!

***10. How long does it take to view the images after the session?***

Turnaround time is typically around 1 week. Plenty of time to share with your family over the Easter holiday! :)

***11. I'm excited! How do I book?***

To book your family a time slot, click

<https://hello.dubsado.com:443/public/form/view/5e5ffe0b73550e1c534c235dre> - or use

the link on my website on the previous page.
